Panto 2015: The Sleeping Beauty By Ben Crocker

A 'must see' pantomime this February is Paulerspury Players' Sleeping Beauty by Ben Crocker - applauded by AS Magazine as "The wittiest and most original writer working in pantomime today."

Ben's script has all the ingredients for an enchanting family show with all the traditions as well as several winning surprises!

Apart from the usual suspects in this ancient and enchanting love story, there are two Cats, and the funniest Wicked Fairy, Carabosse, you will ever see.

Helpful Fairies modify Carabosse's curse and together with the good palace cat, Kitty, they keep watch for 100 years while the palace sleeps – all within an evening's show!

Paulerspury Players' young and energetic cast throw in some cracking songs and as always invite audience participation, so come along and enjoy traditional pantomime with a bit of slapstick and plenty of opportunities to shout "it's behind you!"
